Quantitative Services Group Announces the Addition of a COO to its Management Team

Naperville, Ill., May 16, 2007 (Business Wire) -- Quantitative Services Group LLC has expanded its executive team with the addition of John Joseph as Chief Operating Officer. Mr. Joseph will report to Tim Sargent, President and CEO of QSG. Mr. Joseph, a seasoned executive, brings over 20 years of management, operations, and marketing experience to QSG.

"I am pleased to have the opportunity to hire someone of John's competency and experience. QSG has enjoyed significant growth over the last six years; John's leadership will strengthen our already strong team of research and technology professionals. We're aggressively developing and distributing a number of innovative global equity research and trading solutions. John will assure that our clients, our partners and QSG all enjoy the highest ROI from these efforts," said Sargent.

Joseph said, "I am thrilled to join QSG. I have watched the company grow from its inception six years ago and with the industry's continued expression of need for outstanding third party quantitative tools, I think QSG is poised for outstanding growth." John is an alumnus of Ohio Wesleyan University and holds an MBA from Indiana University.
